The *full* load of Saturday shows did not deter the people from swinging by Friday night's parties. Peter Brant II and Nick Gruber [sang their hearts out](#) at the Chez Andre opening party, where other revelers included Theophilus London, Olivier Zahm, and Karlie Kloss. Rebecca Minkoff held her [spring 2013 show's](#) after-party at The Gramercy Park Hotel; Iman feted her new website, Destination Iman; and Carine Roitfeld joined the crowd at the new Emporio Armani flagship's launch. See all these parties and more in our slideshow roundup.
